EDUCATIONAL BACKGROUND

B.A., University of Minnesota, 1976

M.A., SUNY at Stony Brook, NY (Psychology - Clinical), 1979

Ph.D., SUNY at Stony Brook, NY (Psychology - Clinical), 1982
Dissertation: A Psychological Study of Remitted Manics

PROFESSIONAL EXPERIENCE (from most recent)

2024 - present Research Affiliate, Department of Family Social Sciences, University of Minnesota

2021 - 2022 Research Associate Professor, Office of Research and Economic Development, Florida International University

2019 - present Consultant, Center for Practice Transformation, School of Social Work, University of Minnesota

2016 - present Senior Scientist, Oregon Research Institute (MN location)

2015 - present Consultant, Native Center for Behavioral Health, School of Public Health, University of Iowa

2015 - 2020 Consultant, Office of Research and Economic Development, Florida International University

2009 - 2020 Adjunct Faculty, Clinical Science and Psychopathology Program, Department of Psychology, University of Minnesota

2006 - 2015 Senior Scientist, Treatment Research Institute, Philadelphia, PA

2004 - 2015 Full Professor, Department of Psychiatry, University of Minnesota

2001 - 2015 Graduate Faculty, Graduate School, University of Minnesota

2001 - 2008 Faculty Co-Director, Addiction Studies Program, College of Continuing Education, University of Minnesota

- 1997 - 2004 Associate Professor, Department of Psychiatry, University of Minnesota
- 1997- 2009 Graduate Faculty, Department of Psychology, Clinical Science and Psychopathology Research Program, University of Minnesota
- 1995 - 1997 Research Associate, Department of Psychiatry, University of Minnesota
- 1993 - 1999 Evaluator, Fairview Riverside's Chemical Dependency Program for the Hearing Impaired, Minneapolis, Minnesota
- 1989 - 1995 Evaluator, Hennepin County Community Prevention Coalition, Minneapolis, Minnesota
- 1989 - 2016 Founder and Director, Center for Adolescent Substance Abuse Research, University of Minnesota
- 1989 - 1995 Research Associate, Adolescent Health Training Faculty, Division of General Pediatrics and Adolescent Health, Department of Pediatrics, University of Minnesota
- 1986 - 1989 Senior Research Scientist, Amherst H. Wilder Foundation, St. Paul, Director, Chemical Dependency Adolescent Assessment Project, Amherst H. Wilder Foundation, St. Paul, Minnesota
- 1984 - 1985 Staff Clinical Psychologist, Central Minnesota Mental Health Center, St. Cloud, Minnesota
- 1984 - 1984 Instructor, Department of Psychology, St. Cloud State University, St. Cloud, Minnesota
- 1984 - 1996 Psychotherapist
- 1982 - 1984 Research Scientist, Stony Brook High Risk Project, SUNY at Stony Brook
- 1980 - 1981 Clinical Psychology Intern, Psychological Center, SUNY at Stony Brook (APA approved)
- 1978 - 1980 Clinical Psychology Trainee, Psychological Center, SUNY at Stony Brook
- 1977 - 1981 Research Assistant, Department of Psychology, SUNY at Stony Brook
- 1976 - 1977 Research Assistant, Department of Psychopharmacology, University of Minnesota
- 1973 - 1977 Psychiatric Aide, Hennepin County General Hospital, Minneapolis, Minnesota

HONORS/AWARDS

- 1972 - 1977 Evans Scholarship; University of Minnesota

1977	Summa Cum Laude; University of Minnesota
1977	Phi Beta Kappa
1980	Nominee for President's Award for Excellence in Teaching; SUNY at Stony Brook
2002	Annual Research Award, National Council on Problem Gaming (co-award with R. Stinchfield)
2005	Senior Research Award; National Center for Responsible Gaming
2008	Research to Evidence-Based Practice Award; Joint Meeting on Adolescent Treatment Effectiveness
2020	Public Champions Award; Mothers Against Drug Driving (co-award with J. Bemis)
2024	Award of Achievement from Hawthorne Neighborhood and Minneapolis Youth Coordinating Board (for work as member of Smart Approaches to Marijuana Minnesota)

PREVIOUS GRANTS AND CONTRACTS

1985 - 1987	Principal Investigator: "Chemical Dependency Adolescent Assessment Project," Northwest Area Foundation, \$210,000.
1987 - 1988	Principal Investigator: "Chemical Dependency Adolescent Assessment Project," Bisanz Foundation, \$3,000.
1987 - 1989	Principal Investigator: "Development of an Adolescent Drug Abuse Screening Questionnaire," Walker Foundation, \$20,000.
1987 - 1991	Principal Investigator: "Validation of the Adolescent Assessment Battery," National Institute on Drug Abuse, \$309,000 (R01).
1988 - 1989	Principal Investigator: "Substance Abuse Screening Project for Adolescents Held in Juvenile Detention," State of Minnesota, Office of Drug Policy, \$24,000.
1990 - 1993	Principal Investigator: "Development of a Pre-Adolescent Drug Abuse Questionnaire," Walker Foundation, \$10,000.
1990 - 1991	Principal Investigator: "Gambling Among Minnesota Youth," State of Minnesota, Department of Human Services, \$34,000.
1990 - 1992	Principal Investigator: "Assessment and Treatment of Adolescent Alcohol Abusers," National Institute on Alcohol Abuse and Alcoholism, \$80,000 (R21).
1990 - 1994	Principal Investigator: "Assessment and Treatment of Adolescent Substance Abusers," National Institute on Drug Abuse, \$565,000 (R01).

- 1992 - 1993 Principal Investigator: "Monitoring Gambling Among Minnesota Youth," State of Minnesota, Department of Human Services, \$30,000.
- 1992 - 1994 Principal Investigator: "Development of a Parent Drug Abuse Questionnaire," Walker Foundation, \$10,000.
- 1992 - 1995 Co-Investigator (PI, Randy Stinchfield): "Evaluation of Adult Gambling Treatment Programs," State of Minnesota, Department of Human Services, \$20,000.
- 1994 Principal Investigator: "Examination of State Drug Treatment Referral Criteria for Adolescents," State of Minnesota, Department of Human Services, Chemical Dependency Division, \$5,000.
- 1994 - 1995 Principal Investigator: "Outcome of Gambling Hotline Callers," State of Minnesota, Department of Human Services, \$35,000.
- 1994 - 1995 Principal Investigator: "Development of a Standardized Clinical Battery for Pathological Gamblers," State of Minnesota, Department of Human Services, \$20,000.
- 1994 - 1995 Principal Investigator: "Prevalence of Problem Gambling in Special Populations," State of Minnesota, Department of Human Services, \$10,000.
- 1994 - 1996 Principal Investigator: "Twin Study of Addictions and Related Impulse Disorders," Viking Children's Fund, University of Minnesota Medical School, \$8,000, and Walker Foundation, \$8,000.
- 1994 - 1996 Principal Investigator: "Development of Problem Gambling Among Minnesota Youth," State of Minnesota, Department of Human Services, \$25,000.
- 1994 - 1999 Principal Investigator: "Further Validation of the Adolescent Assessment Battery," National Institute on Drug Abuse, \$480,000 (R01 continuation).
- 1995 - 1996 Consultant: "Meta-Analysis of Drug Treatment Outcome Studies," National Institute on Drug Abuse Small Business Institutional Research award to Belmont Research (MA), \$80,000.
- 1996 - 2000 Principal Investigator: "Twin Study of Addictions," Walker Foundation, \$10,000 (continuation).
- 1997 - 2000 Principal Investigator: "Minnesota Youth Drug Abuse Research Center," University of Minnesota Graduate School Interdisciplinary Grant, \$80,000.
- 1997 - 2000 Co-Investigator (PI, Gerald August): "Preventing Drug Abuse in Early Aggressive Children," Center for Substance Abuse Prevention, \$1,100,000.
- 1997 - 2001 Co-Investigator (PI, William Latimer): "Cognitive Behavioral Intervention for Drug Abusing Adolescents," National Institute on Drug Abuse, \$650,000.

- 1998 - 2000 Principal Investigator: "Young Adult Outcomes of Adolescent Gamblers," National Center for Responsible Gaming, \$56,000.
- 1998 - 2004 Principal Investigator: "Assessment and Treatment of Adolescent Substance Abusers," National Institute on Drug Abuse, \$770,000, (R01 continuation).
- 1998 - 2002 Co-Investigator (PI, Gerald August): "Controlled Investigation of a Drug Prevention Program," National Institute on Drug Abuse, \$1,200,000.
- 2000 – 2001 Principal Investigator: "Development of an Assessment Battery for Pathological Gamblers Seeking Treatment," Minnesota Department of Human Services, \$60,000.
- 2000 - 2006 Principal Investigator: "Youth Drug Abuse, ADHD, and Other Disruptive Behaviors," National Institute on Drug Abuse, \$1,100,000 (R01).
- 2000 - 2004 Principal Investigator: "Brief Interventions for Mild Drug Abusing Youth," Robert Wood Johnson Foundation, \$160,000.
- 2002 – 2004 Co-Investigator (PI, Randy Stinchfield): "Development of an Assessment Battery for Pathological Gamblers Seeking Treatment," Harvard Institute on Pathological Gambling and Related Disorders, \$150,000.
- 2002 – 2004 Principal Investigator: "Revising the Adolescent Assessment Battery," The St. Paul Foundation, \$25,000.
- 2002 – 2004 Principal Investigator: "Project Synthesis: What Works in Drug Prevention," Walker Foundation, \$5,000.
- 2002 – 2007 Principal Investigator: "Developmental Trajectories of Adolescent Drug Abuse," National Institute on Drug Abuse, \$425,000 (K02, DA15347).
- 2003 – 2008 Principal Investigator: "Brief Intervention for Mild Drug Abusing Adolescents," National Institute on Drug Abuse, \$410,000 (R01, DA017492).
- 2004 – 2009 Co-Investigator (PI, Gerald August): "Implementing an Indicated Drug Prevention Program in Multiple Communities," National Institute on Drug Abuse, \$1,600,000.
- 2005 – 2008 Co-Investigator (PI, Randy Stinchfield): "Assessment of Problem Gamblers," Minnesota Department of Human Services, \$160,000.
- 2005 – 2008 Co-Investigator: "Developing Brief Interventions for Adjudicated Youth in Juvenile Detention," National Institute on Drug Abuse, \$300,000 (R21).
- 2005 – 2008 Co-Investigator (PI, Richard Dembo): "Developing Brief Interventions for Adjudicated Youth in Juvenile Detention," National Institute on Drug Abuse, \$300,000 (R21).

- 2005 – 2010 Principal Investigator: “Brief Intervention for Alcohol Abusing Adolescents,” National Institute on Alcohol Abuse and Alcoholism, \$460,000 (R01, AA14866).
- 2006 – 2012 Co-Investigator (PI, Richard Dembo): “Brief Intervention for Drug Use and HIV/STD Prevention Among Truants,” National Institute on Drug Abuse, \$1,200,000 (R01).
- 2007 – 2009 Co-Investigator (PI, David DeMatteo): “The Development of a Prevention Intervention for Low-Risk Drug Court Clients.” National Institute on Drug Abuse, \$150,000 (R21).
- 2007 – 2009 Co-Investigator (PI, Traci Toomey): “Assessing Comprehensiveness and Quality of Alcohol Screening, Treatment, and Prevention Systems for Young Adults within Educational Systems.” Robert Wood Johnson Foundation, \$396,000.
- 2007 - 2015 Principal Investigator: “Youth Drug Abuse, ADHD, and Other Disruptive Behaviors,” National Institute on Drug Abuse, \$1,300,000 (R01).
- 2008 – 2013 Principal Investigator: “Developmental Trajectories of Adolescent Drug Abuse,” National Institute on Drug Abuse, \$551,000 (K02, continuation).
- 2009 – 2010 Principal Investigator: “Parent-based Brief Intervention – Manual Development,” The Saint Paul Foundation, \$17,000.
- 2009 – 2012 Co-Investigator (PI, Jon Grant): “Center Grant on Etiology of Problem Gambling,” National Center for Responsible Gaming, \$330,000.
- 2010 – 2014 Co-Investigator (PI, Gerald August): “Adaptive Intervention Models in Children’s Mental Health,” National Institute on Mental Health, \$3,400,000 (P20).
- 2010 – 2015 Principal Investigator: “Development and Evaluation of a Parent-based Intervention for Adolescent Drug Abuse,” National Institute on Drug Abuse, \$1,200,000 (R01, as part of P50 center grant, DA027841, Parents’ Translational Research Center).
- 2011 – 2015 Co-Investigator (Co-PIs, Andrew Finch, Paul Moberg): “Recovery High Schools as Continuing Care,” National Institute on Drug Abuse, \$945,000 (R01).
- 2012 – 2014 Co-Investigator (PI, Alan Lifson): “Prevalence and Correlates of Khat Use Among HIV-Positive Patients in Ethiopia,” National Institute on Drug Abuse, \$850,000 (R21).
- 2012 – 2014 Co-Investigator (PI, Jon Grant): “Center Grant on Etiology of Problem Gambling,” National Center for Responsible Gaming, \$175,000 (continuation).
- 2012 – 2014 Co-Principal Investigator (Co-PIs, Julie Rohovit, Peter Dimock): “Center of Excellence for Training in Addiction and Co-Existing Disorders,” Minnesota Department of Human Services, \$300,000.

- 2012 – 2015 Co-Investigator (PI, Sandra Brown): “Facilitating Adolescent Self-Change for Alcohol Problems,” National Institute on Alcohol Abuse and Alcoholism, \$1,115,000 (R01).
- 2012 – 2016 Co-Investigator (PI, Linda Shrier): “A Real-time, Contextual Intervention using PDAs to Reduce Marijuana Use in Youth,” National Institute on Drug Abuse, \$635,000 (R34).
- 2013 – 2015 Principal Investigator: “Adaptive Intervention Strategies: Advancing Research and Career Development” National Institute on Drug Abuse, \$717,000 (K24).

RECENT AND CURRENT GRANTS AND CONTRACTS

- 2015 – 2018 Consultant: “Implementation of a Brief Intervention Program in NY State,” NY State Office of Alcoholism and Substance Abuse Services
- 2015 – 2020 Consultant: “Intervention for Teens with ADHD and Substance Use,” (PI: Pelham; National Institute on Drug Abuse, R01).
- 2015 – 2018 Consultant: “Evaluation of the Alberta Adolescent Recovery Center,” University of Maryland
- 2015 – 2017 Consultant: “SBIRT Training Initiative among Allied Health Professional Disciplines at Faith Based Universities,” Substance Abuse and Mental Health Services Administration
- 2018 “Comprehensive Review of Sports Wagering and Gambling Involvement,” National Council on Problem Gambling (Multiple PI with Jeff Derevensky, McGill University)
- 2019-2021 “A Multimedia Web-Based Preventive Intervention for Parents of Youth at Risk for Marijuana Abuse” (National Institute on Drug Abuse, SBIR, R43 DA048691) (Co-Investigator; Holly Waldron, PI, Oregon Research Institute)
- 2020-2023 “Development of the Cannabis Actions and Practices (CAP): A Parent-Focused Intervention to Address Adolescent Marijuana Use” (National Institute on Drug Abuse, R34 DA049070) (Multiple PI with Holly Waldron, Oregon Research Institute)
- 2022-2024 “Web-Based Resource for Youth Servicing Providers to Address Adolescent Co-Occurring Problems” (CDC, SBIR, R43CE003534) (Multiple PI with Holly Waldron, Oregon Research Institute)
- 2022-2025 “Screening and Early Intervention for Youth at Risk for Drug Abuse and Co-Occurring Problems” (National Institute on Drug Abuse, R34 DA053660) (Multiple PI with Holly Waldron, Oregon Research Institute)
- 2025 Consultant: “Establishing Cannabis Prevention Guidelines for Minnesota Middle and High Schools” Minnesota Department of Education

SCIENTIFIC ADVISORY COMMITTEES

- 1986 Progress in objective assessment of adolescent substance abuse. Paper presentation at the annual meeting of the American Psychological Association, Washington, D.C.
- Toward a definition of adolescent chemical dependency (with Henly, G.A.). Paper presentation at the annual meeting of the Alcohol and Drug Problems Association, Boston, MA.
- American culture and recent trends in drug abuse. Invited speaker to a luncheon for the Minnesota Psychological Association, White Bear Lake, MN.
- 1987 Identifying clinical outliers among adolescent drug abusers. Colloquium presentation,

California State University at Long Beach, CA.

New approaches and instruments for assessing adolescent substance abuse. Invited plenary and workshop presentations, Kentucky School of Alcohol and Drug Studies, Lexington, KY.

The measurement of adolescent chemical use problem severity. Paper presentation at the annual meeting of the American Academy of Child and Adolescent Psychiatry, Washington, D.C.

An overview of the Adolescent Assessment Project (with Henly, G.A.). Paper presentation at the annual meeting of the Association for Medical Education and Research in Substance Abuse, Washington, D.C.

- 1988 Assessment and treatment of adolescent substance abusers: Current empirical findings. Paper presentation as part of a Division 12 (clinical) symposium at the annual meeting of the American Psychological Association, Atlanta, GA.

Alcohol and drug use screening instruments. Paper presentation at the annual meeting of the American Probation and Parole Association, Cincinnati, OH.

Assessing adolescent drug abuse with the Personal Experience Inventory. Grand rounds presentation, Brookside Hospital, Nashua, NH.

Validity of adolescent substance abuse self report. Paper presentation at the annual meeting of the Alcohol and Drug Problems Association, Charlotte, NC.

- 1989 Psychosocial subtypes of adolescents involved with chemicals. Paper presentation as part of a Division 12 (clinical) symposium at the annual meeting of the American Psychological Association, New Orleans, LA.

Screening for teenage substance abuse. Invited plenary presentation at the annual meeting of the American Academy of Pediatrics, Chicago, IL.

Current research on adolescent drug abuse (with Stinchfield, R.D.). Grand Rounds Presentation, Department of Pediatrics, University of Minnesota.

- 1990 Office drug testing for adolescents. Paper presentation at the spring meeting of the American Academy of Pediatrics, Seattle, WA.

Assessing adolescent substance abuse: Learning from research. Paper presentation at the annual meeting of the Alcohol and Drug Problems Association, Oakland, CA.

Recovery and life's lessons. Commencement speaker, Sobriety High School, St. Louis Park, MN.

- 1991 Adolescent gambling among Minnesota youth (with Stinchfield, R.D.). Paper presentation at the annual meeting of the National Council on Compulsive Gambling, Duluth, MN.

Update on the Minnesota Chemical Dependency Adolescent Assessment Battery. Symposium presentation at the annual meeting of American Psychological Association, San Francisco, CA.

- 1992 Assessment and treatment of adolescent substance abusers (with Stinchfield, R.D., & Owen, P.). Continuing education workshop presentation at the annual meeting of American Psychological Association, Washington, D.C.

Program impact and outcome evaluation. Invited presentation at the 18th Annual Program Sharing Workshop, sponsored by the Minnesota Department of Education, St. Cloud, MN.

- 1993 Adolescent diagnostic assessment. Invited panel member, National Institute on Drug Abuse National Conference on Drug Abuse Research and Practice, Washington, D.C.

Minnesota as a gambling state. Invited speaker to the adult forum, Trinity Episcopal Church, Minnetonka, MN.

Recent developments in the assessment of adolescent drug abuse. Invited speaker at the National Institute on Drug Abuse Technical Review Meeting on Adolescent Drug Abuse, Rockville, MD.

Substance abuse assessment. Core Conference Lecture, Department of Pediatrics, University of Minnesota.

The ups and downs of assessing juvenile offenders for drug abuse. Invited presentation at a Juvenile Justice Task Force Meeting of the Center for Substance Abuse Treatment, Washington, D.C.

Monitoring trends in adolescent gambling. Paper presentation at the annual meeting of the National Council on Problem Gambling, New London, CT.

Assessment and treatment of adolescent substance abusers (with Stinchfield, R.D., & Owen, P.). Continuing education workshop presentation at the annual meeting of American Psychological Association, Toronto, Ontario.

- 1994 Gambling among young adults (with Svendsen, R.). Invited talk at the annual Post-Secondary Chemical Health Promotion Conference, Minneapolis, MN.

Adolescent gambling: Another form of dealing. Invited talk for the Hennepin County Community Prevention Coalition, Minneapolis, MN.

Adolescent drug treatment: Guidelines from the CSAT Treatment Improvement Protocol Series. Invited talk for the 37th Annual Texas Institute of Alcohol and Drug Studies, Austin, TX.

Gambling: A challenge for youth. Inservice presentation, Minnesota Extension Service, University of Minnesota, Nicollet County, St. Peter, MN.

Simple screening for drug abuse in criminal justice settings. Invited talk at the National Association of Drug Court Professionals 1st National Training Conference, Las Vegas, NV.

Adolescent drug abuse assessment: You can't always get what you want. Paper presentation as part of a Division 50 (addiction) symposium at the annual meeting of the American Psychological Association, Los Angeles, CA.

The other abuse in the adolescent drug abuse system. Paper presentation as part of a Division 5 (measurement) symposium at the annual meeting of the American Psychological Association, Los Angeles, CA.

Assessment and treatment of adolescent substance abusers (with Stinchfield, R.D., Owen, P.) Continuing education workshop presentation at the annual meeting of the American Psychological Association, Los Angeles, CA.

Assessing adolescent drug abuse with standardized measures. Invited talk for the Center for Substance Abuse Treatment conference for Michigan substance abuse counselors, Lansing, MI.

- 1995 Drug abuse and the juvenile offender: The Stockton data base. Invited talk to the Stockton juvenile offender program staff, Stockton, CA.

Recent findings from the Center for Adolescent Substance Abuse Research. Colloquium presentation to the Department of Psychiatry research staff, University of Minnesota.

Recent findings from the Center for Adolescent Substance Abuse Research. Invited brown bag presentation to the Department of Family Social Sciences, University of Minnesota.

Evaluating a specialized drug treatment program for the hearing impaired (with Guthmann, D.). Invited talk at the annual meeting of Center for Substance Abuse Treatment grant recipients, Washington, D.C.

Treatment for problem gamblers: What we know and don't know. Invited presentation at an inservice for clinicians sponsored by the Gambling Problems Resource Center, Anoka, MN.

Screening for drug abuse in the pediatric clinic setting. Invited speaker for "Topics and Advances in Pediatrics," Continuing Education and Extension Medical School, University of Minnesota.

Gambling and its public policy implications. Invited speaker for "Economic Aspects of Public Policy: A Focus for Education," Center for Education, College of Education, University of MN.

- 1996 Substance abuse and juvenile justice systems working together. Keynote presentation at a juvenile justice conference sponsored by the National Council on Alcoholism and Drug Dependence of Michigan, Grand Rapids, MI.

Assessment and treatment of adolescent drug abuse. Child Grand Rounds presentation, Department of Psychiatry, University of Minnesota.

Gambling as pop culture and an addictive disorder. Grand Rounds presentation, Department of Psychiatry, University of Minnesota.

Extent, nature and psychosocial correlates of college gambling. Presentation at "Gambling Research Forum," Minnesota Department of Human Services, St. Paul, MN.

Genetic and environmental influences on gambling behavior: Results from a twin study. Presentation at "Gambling Research Forum," Minnesota Department of Human Services, St. Paul, MN.

Epidemiology of adolescent, college and adult gambling. Presentation for Epidemiology Drug Abuse Work Group, Minnesota Department of Human Services, St. Paul, MN.

Community strategies for preventing alcohol access to underage youths. Invited brown bag presentation to the Hennepin County Community Prevention Coalition. Minneapolis, MN.

Commonalities of adolescent drug abuse risk factors across diverse adolescent groups. Symposium presentation, annual convention of the American Psychological Association, Toronto, Ontario.

Clinical tools for measuring adolescent drug abuse. Symposium presentation, annual convention of the American Psychological Association, Toronto, Ontario.

Twin study of gambling behavior. Paper presentation at the annual meeting of the National Council on Problem Gambling, Chicago, IL.

Research on problem gambling and gambling behavior. Grand Rounds presentation, Department of Psychiatry, Minneapolis Veterans Affairs Medical Center, Minneapolis, MN.

Assessing adolescent drug abuse: Instrument development. Grand Rounds presentation, Department of Psychiatry, University of Minnesota, Minneapolis, MN.

1997 Research in adolescent gambling: Present and future. Invited talk at the North American Conference in Youth Gambling Issues, St. Paul, MN.

The validity of the dependence syndrome in adolescents. Symposium presentation at the annual meeting of the American Psychological Association, Chicago, IL.

A new multi-scale measure of adult substance abuse. Paper presentation at the annual meeting of the American Psychological Association, Chicago, IL.

Issues related to adolescent substance abuse and treatment. Discussant for symposium at the annual meeting of the American Psychological Association, Chicago, IL.

Treating addictive gambling (with Bishop, M., & Barrett, C.). Continuing education

workshop at the annual meeting of the American Psychological Association, Chicago, IL.

Fetal alcohol syndrome: Treatment implications for adult sufferers. Invited speaker to National Institute on Alcohol Abuse and Alcoholism, FAS Scientific Panel, Rockville, MD.

- 1998 Role of delinquency in the origins of adolescent drug abuse. Invited talk at the Office of National Drug Control Policy's conference on Treatment and Criminal-Justice System, Washington, D.C.

Updated twin study on gambling behavior. Paper presentation at the annual meeting of the National Council on Problem Gambling, Las Vegas, NV.

Developing surveys for evaluation research. Invited speaker at the Conference on Implementing the Principles of Effectiveness, National Association of Drug Free and Safe Schools, Washington, D.C.

Measuring tobacco dependence (with Gerard, T.). Poster presentation at the annual meeting of American Psychological Association, San Francisco, CA.

Assessing adolescents who are candidates for brief intervention approaches. Invited talk at the conference on Adolescence, Alcohol and Substance Abuse: Reaching Teens through Brief Interventions, Newport, RI.

Treating adolescent substance abusers: State of the art. Invited plenary speaker at the 22nd Annual AMERSA National Conference, Washington, D.C.

Juvenile delinquency and substance abuse: Their association and intervention approaches. Invited plenary speaker at the Physicians Leadership on National Drug Policy conference, Washington, D.C.

- 1999 Substance abuse treatment research: Update on what works for juveniles. Invited plenary speaker at the Adolescent Treatment Issues Conference, Clearwater, FL.

Youth gambling: Transition from adolescence to young adulthood. Invited talk, New Directions in Gambling Addiction Research Conference, The George Washington University, Washington, D.C.

Hitchhiker's guide to assessing and treating adolescents with substance use disorders. Invited workshop, Colorado State University, Fort Collins, CO.

Measuring problem gambling. Symposium presentation at the annual meeting of the American Psychiatric Association, Washington, D.C.

National Research Council's report on pathological gambling: Summary of findings and implications for future research. Symposium presentation at the annual meeting of the National Council on Problem Gambling, Detroit, MI.

Drug use trends in Latin America (Discussant). Symposium presentation at the

annual meeting of the College on Professionals in Drug Dependence, Acapulco, Mexico.

Adolescent gambling. Invited testimony, Public Sector Gaming Commission, Charlotte, NC.

Structure and characteristics of adolescent alcohol use disorders. Symposium presentation at the annual meeting of the Research Society on Alcoholism, Santa Barbara, CA.

- 2000 Adolescent gambling: State of the knowledge base. Invited talk to the Missouri Commission on Gaming, St. Louis, MI.

Assessing key variables in research on adolescent drug abuse. Invited speaker for the Assessing the Impact of Childhood Interventions on Subsequent Drug Abuse conference, National Institute on Drug Abuse and National Institute of Mental Health, Washington, D.C.

Monitoring access to treatment for adolescent drug abusers. Poster presentation at the annual convention of the College on Problems of Drug Dependence, San Juan, Puerto Rico.

Health service utilization among young adults recovering from substance abuse. Paper presentation at the annual convention of the American Psychological Association, Washington, D.C.

Briefer and still effective? Brief interventions for adolescent substance abusers. Chair, symposium presentation at the annual convention of the American Psychological Association, Washington, D.C.

Comorbidity and problem gambling: Treatment implications. Invited talk at the 1st Annual Research Symposium on Pathological Gambling, National Center for Responsible Gaming, Las Vegas, NV.

- 2001 Treatment of pathological gamblers. Invited talk for the Problem Gambling and Mental Health conference, National Council on Problem Gambling and the National Institute of Mental Health, Washington, D.C.

How far how we come in understanding problem gambling? Invited plenary speaker, Gambling Awareness Week, MN Department of Human Services, St. Paul, MN.

Assessment of disorders comorbid with adolescent drug abuse. Grand Rounds, School of Social Work, Washington University, St. Louis, MO.

Adolescence: Challenges and treatment solutions. Invited talk, University of North Dakota Division of Continuing Education, Bismarck, ND.

Prevention and treatment for pathological gambling. Invited talk, Columbia University-sponsored conference, "High Stakes: Substance Abuse and Gambling," NYC, NY.

Assessing drug abuse among ethnically diverse youth. Poster presentation at the annual convention of the College on Problems of Drug Dependence, Scottsdale, AZ.

Course of adolescent gambling: Findings from a prospective study. Symposium presentation at the annual meeting of the National Council on Problem Gambling, Seattle, WA.

Definition and classification of adolescent gambling. Invited talk at the 2nd Annual Research Symposium on Pathological Gambling, National Center for Responsible Gaming, Las Vegas, NV.

Screening and assessing adolescent substance abuse. Invited plenary speaker at the Physicians Leadership on National Drug Policy conference, Washington, D.C.

Hitchhiker's guide to research on problem gambling. Grand Rounds, Department of Psychiatry, University of Minnesota.

- 2002 Assessing substance use disorders in adolescents. Workshop for the Alaska Division on Alcoholism and Substance Abuse, Anchorage, AK.

Clinical and public policy issues of problem gambling. Invited plenary speaker for the Kentucky Council on Problem Gambling, Lexington, KY.

Motivational strategies for use in treating adolescent drug abuse. Workshop, 17th Upper Midwest Conference on Adolescents and Children in Need, St. Paul, MN.

Drug abuse and ADHD. Invited talk, New Directions in Research on ADHD, Minneapolis, MN.

Subtypes of adolescent drug abusers: Relevance for drug abuse treatment. Poster session at the annual meeting of the College on Problems of Drug Dependence, Quebec City, Quebec.

Long-term outcomes of adolescents with a substance use disorder. Presentation at the annual meeting of the Research Society on Alcoholism, San Francisco, CA.

- 2003 Use of motivational strategies for school-based intervention programs to address adolescent drug abuse. Invited plenary speaker, annual meeting of school health counselors, ISD #287, St. Paul, MN.

What's motivation got to do with it? Invited plenary talk, Kentucky Adolescent Drug Treatment Consortium, Lexington, KY.

Use of brief intervention strategies for adolescent drug abusers. Invited talk, annual conference of the Texas Commission on Alcoholism and Drug Abuse, Austin, TX.

Use of brief intervention strategies for adolescent drug abusers. Invited talk, annual conference of the Florida Association of Drug and Alcohol Abuse, Tampa Bay, FL.

A prospective study of adolescent alcohol and other drug use behaviors in ADHD children

(with Realmuto, G. & August, G.). Symposium presentation, annual meeting of the Research Society on Alcoholism, Miami, FL.

A longitudinal examination of adolescent drug abuse among children with ADHD (with Realmuto, G. & August, G.). Symposium presentation, annual meeting of the American Psychological Association, Toronto, Ontario.

Drug abuse among adolescent ethnic groups. Paper presentation at the annual meeting of the College on Problems of Drug Dependence, Miami, FL.

Adolescent drug abuse treatment: An overview. Plenary speaker, Powell Hospital Conference on Adolescent Drug Abuse, Des Moines, IA.

Pathological gambling: A research overview. Invited colloquium, Institute on Behavioral Research, University of Georgia, Athens, GA.

Use of brief interventions with moderate drug-abusing adolescents. Invited workshop, Fairview-University Adolescent Treatment Program, Fairview-University Medical Center, Mpls., MN.

Gambling as addiction. Invited speaker, Addiction Studies Seminar, College of Continuing Education, University of Minnesota.

2004 Extending interventions for adolescent drug Abuse to the office setting. Grand Rounds speaker, University of Iowa, Department of Pediatrics, Iowa City, IA.

Alcohol and the adolescent brain. Plenary speaker, meeting of the U.S. Department of Education Prevention Grantees, Washington, D.C.

Advances in the treatment of adolescent drug abusers. Invited workshop, U.S. Military Counselors, Kauai, HI.

Advances in the treatment of adolescent drug abusers. Invited workshop, Alabama School of Alcohol and Other Drug Counselors, Tuscaloosa, AL.

Brief interventions for moderate adolescent drug abusers. Invited talk, 3rd National Adolescent Conference, Newport Beach, CA.

Brief interventions for moderate adolescent drug abusers. Invited speaker, Substance Abuse Research Forum, Hazelden Foundation, St. Paul, MN.

Screening and assessing problem gamblers. Invited talk, 2004 Massachusetts Conference in Gambling Problems: Towards Evidence-Based Treatment, Boston, MA.

ADHD and risk for substance abuse. Paper presentation at the annual meeting of the American Psychiatric Association, NYC, NY.

Brief interventions for moderate adolescent drug abusers. Invited talk, 25th Conference on

Troubled Youth, Snow Bird, UT.

Alcohol and the adolescent brain. Invited talk, 25th conference on Troubled Youth, Snow Bird, UT.

Screening adolescents with drug abuse: Implications for referral and intervention systems. Invited talk, conference on “Building Models of Prevention and Treatment for Drug Abusing Native American Adolescents,” Walker, MN.

Alcohol and the adolescent brain. Invited speaker, Campus-Community Alcohol Policy Meeting, Falcon Heights, MN.

Brief interventions for moderate adolescent drug abusers. Invited workshop, Virginia Summer Institute for Addiction Studies, Williamsburg, VA.

Young adult outcomes of adolescents with substance use disorders. Paper presentation, annual convention of the American Psychological Association, Honolulu, HI.

Adolescence, neurodevelopment and gambling risk. Invited talk, The Midwest Conference on Problem Gambling and Substance Abuse, Kansas City, MO.

Youth and gambling. Grand rounds speaker, Research Institute on Addictions, Buffalo, NY.

Brief interventions for adolescent drug abusers. Invited workshop, National TASC Conference, Washington, DC.

Adolescent brain development and gambling risk. Invited talk, International Symposium on Problem Gambling and Co-Occurring Disorders, Mystic, CT.

Advanced treatment for adolescents: Evidence based practices. Invited workshop, Prairielands ATTC, Sioux City, IA.

Using motivational enhancement approaches for students with drug problems. Invited speaker, School Nurses of Minnesota, Minneapolis, MN.

2005 Adolescent brain development and gambling risk. Invited talk, Nebraska Conference on Problem Gambling, Lincoln, NE.

Adolescence, gambling and brain development: Intersections on the developmental highway. Invited talk, Addiction Technology Transfer Center Conference on Problem Gambling, Iowa City, IA.

Adolescence, gambling and brain development: Intersections on the developmental highway. Invited grand rounds speaker, Department of Psychology, University of Georgia, Athens, GA.

Adolescence, gambling and brain development: Intersections on the developmental highway. Invited grand rounds speaker, Department of Psychology, University of Minnesota, Mpls.,

MN.

Brief Interventions for moderate adolescent drug abusers. Invited talk, Conference on Recent Advances in the Treatment of Adolescent Drug Abuse, Ben Franklin Institute, Del Mar, CA.

Brief Interventions for moderate adolescent drug abusers. Invited talk, Conference on Recent Advances in the Treatment of Adolescent Drug Abuse, Ben Franklin Institute, Delray, FL.

Habits of highly effective counselors when delivering a brief intervention for adolescent drug abusers. Invited talk, The Virginia Summer Institute for Addiction Studies, Williamsburg, VA.

Advances in the treatment of adolescent drug abuse. Invited talk, The Louisiana Association of Substance Abuse Counselors and Trainers, Lafayette, LA

Alcohol and the adolescent brain: Tastes great, less functioning. Keynote speaker, Summer Institute for Addiction and Prevention Studies, Reno, NV.

Treatment of adolescent drug abuse. Discussant for symposium, American Psychological Association annual convention, Washington, D.C.

Habits of Highly Effective Assessment of Marijuana Abuse in Adolescents. Invited talk, Florida Alcohol and Drug Abuse Association, Orlando, FL.

Alcohol and the adolescent brain: Tastes great, Less functioning. Invited talk, Minnesota State Advisory Council on Mental Health, Minneapolis, MN.

Adolescent problem gambling: From neurobiology to prevention. Invited talk, Student Organization of Addiction Professionals, Las Vegas, NV.

Gender differences in adolescent drug abuse. Invited speaker, Powell Center for Women's Health Conference, University of Minnesota.

Brief interventions for adolescent drug abusers. Invited talk, Conference of the California Association of Alcoholism and Drug Abuse Counselors, Sacramento, CA.

The developing adolescent brain: Implications for risk taking. Invited luncheon speaker, Toward Zero Deaths Conference, St. Cloud, MN.

"Gating" lucky: Assessment tools as gates for referral and treatment decisions for problem gamblers. Invited talk, 6th Annual Conference on Gambling and Addiction, Las Vegas, NV.

2006 Adolescent brain development and implications for treatment and prevention. Invited talk, Florida Division on Alcohol and Drug Abuse Annual Conference, Tampa Bay, FL.

Adolescent brain development: Implications for pediatricians. Invited talk, Tennessee Pediatrician Drug Abuse Awareness Project, Nashville, TN.

Use of brief intervention for drug abusing adolescents. Invited workshop trainer, Winston-Salem school district, Winston-Salem, NC.

Neurodevelopment and adolescent drug abuse: Treatment implications. Panel organizer and topic speaker, 3rd Annual Joint Meeting of Adolescent Treatment Effectiveness, Baltimore, MD.

Research on brief interventions for drug abusing adolescents. Panel organizer and topic speaker, 3rd Annual Joint Meeting of Adolescent Treatment Effectiveness, Baltimore, MD.

Public safety, youth and brain development. Invited talk. 13th Annual Conference of Minnesota Safety Council, Minneapolis, MN.

Adolescence, brain development and drug abuse: Intersections on the developmental highway. Invited talk, Kansas Division on Drug Abuse conference, Topeka, KS.

Childhood ADHD and late adolescent psychosocial functioning. Poster session at the annual meeting of the College on Problems of Drug Dependence, Scottsdale, AZ.

Adolescent drug abuse risk. Invited talk, The Addiction Studies Program, Scottsdale, AZ.

Youth, brain development, risk taking and problem gambling: Intersections on the developmental highway. Invited talk, 4th Annual Problem Gambling Conference, Bend, OR.

Assessing adolescent drug abuse: Clinical strategies. Workshop presenter. Manitoba Addiction Center, Winnipeg, Manitoba.

2007 Adolescence is a time limited brain disorder: Implications for treating adolescent drug abuse. Invited talk, Oklahoma Drug and Alcohol Professional Counselor Association, Tulsa, OK.

Best practices in treating adolescent drug abuse. Invited talk, Oklahoma Division on Substance Abuse, Tulsa, OK.

Adolescence and vulnerability to drug abuse. Invited talk, Illinois State Prevention Conference, Springfield, IL.

New findings on normative decision making by teens: Implications for understanding adolescent drug abuse and related problems. Invited talk, New York State College Association of Student Health annual conference, Albany, NY.

Adolescent decision making: Implications from the emerging science of brain development. Invited talk, Oregon State Council on Problem Gambling Conference, Eugene, OR.

Adolescent risk taking: Gambling and drug abuse. Invited talk, Washington State Council on Problem Gambling Conference, Seattle, WA.

Adolescence is a time limited brain disorder: Implications for understanding risk taking during youth. Invited speaker, Oregon State DUI Offender Conference, Portland, OR.

What's motivation got to do with it: Use of brief interventions with moderate drug abusing youth. Invited talk, 5th Las Vegas Conference on Adolescent Drug Abuse, Las Vegas, NV.

Habits of highly effective assessors of adolescent drug abuse. Invited talk, 5th Las Vegas Conference on Adolescent Drug Abuse, Las Vegas, NV.

Adolescence is a time limited brain disorder: Implications for understanding risk taking by youth. Grand rounds presentation, Department of Psychology, University of Georgia, Athens, GA.

Evaluation of the Augsburg College StepUp program. Presentation, 2007 Joint Meeting on Adolescent Treatment Effectiveness, Washington, DC.

Assessing juvenile offenders for drug abuse. Presentation, 2007 Joint Meeting on Adolescent Treatment Effectiveness, Washington, DC.

Using instruments for assessing problem gambling and treatment needs. Invited talk, Missouri Department of Mental Health, Spring Conference, Osage Beach, MO.

Adolescence and vulnerability to gambling and other risk behaviors. Invited speaker, Missouri Department of Mental Health, Spring Conference, Osage Beach, MO.

Likelihood of developing an alcohol or cannabis disorder during youth: Role of recent use and chronological age. Poster session at the annual meeting of the College on Problems of Drug Dependence, Quebec City, Ontario

Childhood ADHD and late adolescent risk for substance abuse. Symposium presentation, Research Society on Alcoholism, Chicago, IL.

Adolescence, the developing brain and alcohol: Intersections on the developmental highway. Invited talk, 8th Annual Summer Institute, Sedona, AZ.

Screening adolescents for brief interventions. Invited talk, NIDA workgroup, Screening and Brief Interventions for Drug Abuse in Health Care Settings, Washington, DC.
